PARKING AND LOAD IN: Load-in will be in the alley to the Southside of the venue. All parking will be on street parking (no reserved spaces). Please advance any large vehicles or trailers and we will try to accommodate. Ideally we would like all bands to be loaded in before the first band plays, so please try to get to the venue early.

SOUND/LINE CHECK: All sound checks will be festival line checks unless advanced. Please arrive at the venue at least two hours prior to your set for load in. There is 20 minutes between each act for set up and line checks and any time taken for set up and line checks over this time will cut into your set.

BACKLINE: Artists are to provide their own backline (unless otherwise advanced). If you would like to share gear with other bands on the bill please feel free to coordinate that in advance or night of show.
